

Award Night 2012

St Colms Basketball Club held it's annual awards night at Monaleen GAA Club, in recognition of another highly successful season for the club. The club won 2 North Munster league titles at underage level and the U18 cup. However, the highlight of the season was our U16 girls winning the All Ireland U16B Club Championship.

It was therefore fitting that our players be recognised and rewarded for their efforts, skill and dedication throughout a long season.

The night opened up with a presentation to Ciara O' Halloran in recognition of her selection on the Irish U16 team. This was followed by presentation of medals to our successful teams. Finally the following players were honoured for the 2011-2012 Season

Nursery	MVP Hannah Barry Lonergan	MIP Abby O' Flaherty Piggott

St Colms are always open to new players, young and old alike. All our players receive expert coaching from a pool of qualified and dedicated coaches who give their time and energy free of charge. This allows our club to be always to the forefront of girls basketball at local and national level.

If there are any players or parents of young girls eager to play basketball in a fun, safe and competitive environment, then our club is the one to join. Our club offers players an opportunity to play at all levels from a social outlet up to and including international level.
