

Awards Day May 2014  
(18<sup>th</sup> May 2014)

The club held an end of season family fun quiz and awards day last Sunday in Clohessy's Bar, Howley's Quay Limerick, to mark another basketball season.

The quiz proved to be a very exciting affair with three teams tied after 8 rounds of questions. Two subsequent tie break rounds failed to separate the three teams with the top prizes shared.

Many thanks for the Z-We-Ton Restaurant for stepping in with a further top prize at the last minute.

A huge thanks goes to our quiz master George Lee who got the questions spot on with a number of teams in contention right up to the final few questions.

A big thanks goes to Jackie, Geraldine D, Joanne and Geraldine L for organising the day. A special thanks to Clohessy's Bar who have supported the club and our quiz over the past few years and once again excelled this year.

The quiz was followed immediately by our annual awards.

The club feels it is very important that those players who have excelled and improved over the season are properly recognised for their achievements.
