

01 APRIL 2019

It was a big week on the court this week with the senior ladies teams facing off in the North Munster League, the U14s competing in the AICCs and the U16s contesting the Cork Championship Final. And its fair to say it was a week of mixed emotions.

Up first were the senior Saints and Scholars. Both teams had long injury lists to contend with but that did not impact the intensity of this game with both teams going at it 100% in a hugely entertaining game that was edged by The Saints. And there were plenty of smiles all round afterwards.

The young U14s squad headed up to Gormanstown at the weekend for the AICCs. Despite the squad being heavily impacted by injury and illness heading in to the weekend and being drawn in a very tough group spirits were high heading in to the weekend. However things took a turn for the worse when Amy Buckley suffered a serious injury in the first game that ruled her out of the weekend.

The girls were understandably rattled by their teammates injury but showed hugh resilience and spirit over the weekend and represented their club with great pride.

All the girls would like to wish Amy a speedy recovery and look forward to seeing her at training again very soon.

The U16s were down in Parochial Hall on Sunday for their eagerly awaited Cork Championship final against Brunell. These teams have been evenly matched all season and Sunday proved no different with our girls leading by a single point at half time. The second half was a real battle with Brunell shading the match at full time.

So a week where the results unfortunately did not go our way on the court. However with all our teams showing extraordinary skill, courage and team spirit the girls and the club have a lot to be proud of.
