

6<sup>th</sup> May 2014

St Colms Basketball Club concluded their North Munster League campaign for the season with home games against UL Huskies at three different age groups.

Our U12 girls were first in action and proved way too strong in their game. The girls enjoyed a 32-4 interval lead before easing to a 42-6 win.

Best for Colms on the day were Aoife Morrissey, Bronagh Dollard, Sarah Moloney and Caoimhe O' Neill

Our U14 girls were next in action and were quicker to settle than their opponents opening up a 16-3 first quarter lead. UL came more into the game in the remaining three quarters but never really looked capable of bridging the deficit. In the end Colms won out comfortably on a scoreline of 35-19.

Top Scorers for Colms were Ruth Dollard 8, Aoife Morrissey 8, Megan Haugh 5 and Siofra Gleeson 4.

The U16 game turned out to be the most competitive game of the day. Colms went into the game minus two of their starting five Jane Clohessy and Naomi Keogh and soon found themselves 7-13 down at the end of the first quarter. The girls slowly dragged themselves back into the game to trail by only a single point at the interval. A strong third quarter defensive performance and patience in offence moved our girls into the lead. The girls' greater experience enabled them close out the game to win out on a scoreline of 42-40.

Roisin Gleeson had by far her best game of the season top scoring on 23 points. She got great assistance from Laura O' Shea and Ruth Dollard.

The club are looking forward to their annual family fun day quiz on Sunday May 18<sup>th</sup> followed by the club awards.
